Okay, I haven't been a Charlie since I was twelve. But oh.

Oh. It's Charlie the Coyote. ([https://www.livejournal.com/away?  
to=http%3A//dailyc Coyote.blogspot.com/](https://www.livejournal.com/away?to=http%3A//dailyc Coyote.blogspot.com/))

I think I'm in love.

And he's a lucky little bastard, isn't he?

*Everybody* is getting coyote calendars for Christmas. You *have been warned*. (We're expensive to feed, you know!)

 0metotchtli (<https://0metotchtli.livejournal.com/>), if I can't have a cat, can I have a coyote?

\*\*\*

 trollcatz (<https://trollcatz.livejournal.com/>), how's the head?

\*wince\*

Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't

Puppets. Puppets. Poppet puppets. Scary.

He's a coyote multidisciplinarian.

He also hunts wabbits.

Then no. No wabbit-hunting pets, man.

Maybe you can have a gecko.

(Totally ded of c007, tho. The ears! OMG!)

The one where they're both redheads? Or the one where Charlie is using Eli as a pillow?

I can has icepack, that's how.

(I don't think I need to borrow the frozen potstickers.)

That critter is almost as cute and fuzzy as you. (Yes, I'm going on what I remember from before I hit my head, so don't even say it.)

[COLLAPSE](#)

Sorry about that, Chief.

(I'm not that fuzzy.)

I'm moving to Wyoming, by the way. Surely we have a field office out there somewhere.

I think O. would say, *OMGDEDOFTEHCUTESQUEEE!!!11!!!1111!!!111*

Hee--keep practicing your Maxwell Smart. I bet after the movie we're going to be doing that ALL THE TIME and driving the grownups insane.

(No, but you are that cute.)

Wyoming has big, BIG rocks! (Charlie lives near Yellowstone.) You would like that.

On the other hand, Wyoming is sometimes ohsomeverymuch like that icepack.

Who knew Nickelodeon would come in so handy?

Yellowstone is *amazing*. Have you ever been? And someday it's all going to blow up and take the entirety of western North America with it! Wheee!

Hmm.

Maybe I could *summer* in Wyoming.

Migratory Platypus!

Yellowstone? Not since I was a kid. I was a little freaked by all the steaming water. Then my dad told me why it was doing that, and I wanted to leave *Right Now*. I think that was the first time I

really got that the planet had a longer lifespan than I did. \*g\*

And there were *critters*. OMG with the amazing critters. Came out of our cabin one morning to find a moose glaring at our car.

Wow, I should go back. That'd be cool.

Also, there are hot springs. Cozy.

I tried to do something that would have been better with the aid of sticky gecko feet. But I came unstuck and swung like a bell rope. Then determined that the wall was harder than me.

Chaz yelled at me and wouldn't let me finish. \*pouts\*

Did not! Just spoke sternly.

She wouldn't come down otherwise.
